

"Why Swear, Dear?" Use 'Gets-It' for Corns!

It's the New Plan—Simple—Sure as Fate

—Applied in a Few Seconds

"Why, John! I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tins, plasters, and contraptions for corns. Here's some

"You Wouldn't Lose Your Temper, John, if You Used 'Gets-It' for Those Corns!" "Gets-It" is just wonderful how easy, clear and clean it makes any corn right off. Takes but a few seconds to apply. It dries at once. Put your sock on right over it. There's nothing to stick or roll up, form a bandage of your toe, or press on the corn. It's painless, simple as rolling off a log. Now put away those knives, razors and scissors, use 'Gets-It' and you'll have a sweeter disposition and no more corns and callouses. 'Gets-It' is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.—Adv.

PALE WIVES AND MOTHERS

Many women who had a good color in their childhood grow pale and colorless when they become wives and mothers.

When the fading color in cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause is to be sought in the state of the blood.

A hundred causes may contribute to the condition of thin blood that is known as anemia. Overwork, lack of outdoor exercise, insufficient rest and sleep, improper diet, these are a few of them. The important thing is to restore the blood to normal, to build it up so that the color will return to cheeks and lips, the brightness to the eyes and lightness to the step.

Dr. Williams' Pink Pills are the great blood builder and invigorator. They begin at once to increase the blood, to purify the blood and the new blood carries strength and health to every part of the body. Appetite increases, digestion becomes more perfect, energy and ambition return.

A pamphlet, "Building Up the Blood," will be sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. If you mention this paper, your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 50 cents per box, six boxes, \$2.50.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The national Progressive party in Vermont will hold a state convention in Burlington on May 24.

It is estimated that 3,000,000 feet of lumber has been cut by three lumbermen in Stowe this winter.

Mrs. Anna Hunt was found dead on the kitchen floor of her home in St. Johnsbury, death being due to apoplexy. She was born Sept. 10, 1844, in the house where she died and where she had always lived.

Dr. A. G. Peakes, principal of the Johnson State Normal school, was given an ovation by his students Monday evening, when it became known that he was to leave school because of differences with the state board of education.

Hamden Daniels, aged four, was sliding down a banister at the home of his parents, Mr. and Mrs. H. W. Daniels, in Woodstock, and lost his balance, receiving concussion of the brain in the consequent fall.

A building to be devoted to the interests of the Roman Catholics of Burlington and to cost between \$75,000 and \$125,000 will be erected at the corner of Pearl and St. Paul streets in that city during the coming summer. The building will be fitted up as a gymnasium, club rooms, bowling alleys, etc.

Pneumonia has taken four members of one family in Townsend inside of a year. Frank Felch being the last of the four to succumb. He died March 26. Both his parents and his grandmother were the other victims of the disease. His wife is now ill with tuberculosis in Lowell, Mass.

Lyman H. Atkins, who, with his wife, was burned to death in the destruction of his home at Mansfield, Mass., March 28, was formerly a resident of Stowe, being the son of Mr. and Mrs. H. A. Atkins, who for many years were residents of Stowe. The burial of Lyman Atkins and wife will be at Stowe Saturday. A daughter, Miss Elsie Atkins, and two sisters, Mrs. Inez Gorton of Hampton, Va., and Mrs. Julia Irving of Burlington, now in Smyrna, Fla., survive.

A factory building in Bellows Falls, which has not been occupied for more than a year is to be leased by Lustberg, Nest & Co. of New York City, one of the largest manufacturers of dress shirts in the country, and they will soon be employing 100 girls. The factory was erected by the Rockingham Building association for the Inter-Ocean Shirt company, which ceased business more than a year ago.

Babbitt Supports Graham.

Frederick H. Babbitt of Bellows Falls, who has been mentioned as a possible Republican candidate for the city of Vermont, has written the following letter to the Brattleboro Reformer:

"Dear Sir:—The public announcement which has been made by Honorable Horace F. Graham of his desire to become the next governor of Vermont in my opinion settles the gubernatorial question for the next two years.

"Mr. Graham's long and highly honorable record in the state of Vermont is a full record of giving splendid results.

How to Maintain Soil Fertility Without Potash

Farmers are finding it practically impossible to secure potash, or any mixed fertilizer in which potash is found in any reasonable quantities, because of the war in Germany. One of the cheapest and best substitutes is made right here in Vermont; we refer to the raw ground bone put up by C. S. Page of Hyde Park. This material is guaranteed to be absolutely free from adulteration, and when used alone or in combination with chemicals like nitrate of soda and acid phosphate, it has a record of giving splendid results.

Send a postal to Mr. Page, with the request therefor, and he will send you free, a formula for a mixture which has been approved by the director of the Vermont experiment station, as being a very desirable "general purpose" mixture. He will also give you the cost of the ingredients, full directions for mixing, etc.—Adv.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

able service to his state, as well as his splendid qualifications for the high office, entitled him to a unanimous election by our people.

"It will be a sincere pleasure to me to help roll up an old-time majority for Governor Graham and I hope no man will oppose him."

"Why should not this man, who has been 'so clean in his great office,' serving all our citizens with the utmost impartiality, and the most rigid integrity, be made the candidate of all parties, thereby showing to the world that we are all Vermonters first, and Republicans or Democrats or Progressives afterwards, and that we are every one of us glad and proud to give such a faithful public servant his just reward?"

"Cordially yours,

"Frederick H. Babbitt,

"Bellows Falls, Vt., March 29, 1916."

Worms—A Danger to Children

No gain in a child's health and strength is possible until all worms are removed. Signs of worms are: Dull, tired feeling, sick, swollen upper lip, hard stomach, offensive breath, sour and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching, itchy, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever. If you see any of these symptoms in your child, don't lose another minute, but get a bottle of Dr. True's Elixir, the Family Laxative and Worm Expeller.

Mrs. Norrat of Houston, Texas, writes: "I would not be without Dr. True's Elixir in my home." Good for adults also. At your dealer's, 35c, 50c and \$1. Advice free.

Died Quite Suddenly.

Charles H. Stratton, a long-time resident of West Townsend, died very suddenly Wednesday afternoon. Although he had been in poor health this winter he was feeling well and drove to East Jamaica in the forenoon. When he reached home he went to the home of his son, Henry Stratton, where he made a short call, then returned home. He had been at home only a short time when he complained of not feeling well and Dr. Gale was sent for, but Mr. Stratton died soon after the physician arrived. Mr. Stratton was 74 years old and a farmer. He lived about half a mile outside the village. Formerly for many years he was a member of the board of selectmen. Besides his wife, who was Lucy Phillips, he leaves three children, all of this place. They are Henry C., a farmer, Hugh, who lives at home, and Mrs. Orrin Barnard. He also leaves a brother in Colrain, Mass.

WHISKEY? NO—NOT FOR RHEUMATICS

Don't drink whiskey if you have rheumatism, and be sure and keep your feet warm and dry, and drink plenty of lemonade.

This advice, says an authority, is helping; but as all know who have suffered rheumatism is a stubborn disease and yields only to a remedy mighty enough to conquer it.

Many doctors have prescribed and hundreds of helpful druggists have advised a half teaspoonful of Rheuma once a day, because they know that powerful Rheuma, harmless as it is, acts with speed and overcomes in a few days the most torturing case of rheumatism or sciatica.

Try Rheuma; the Red Cross Pharmacy and all druggists sell lots of it and will return your money if two 50-cent bottles do not stop all rheumatic misery.—Adv.
